

Rossie:

During Depp vs. Heard,
Crone tried to

catch me stealing a laptop at
Best Buy. Wrote me a trespass, "let me go."

case #

He gave me
this card at
Best Buy
after he gave me b. card

HE WAS TIPPED OFF BY
SATELLITE.

(musk, hock e. tan, someone like that)

He knew about me DURING TRIAL

(before I wrote him letters, which I did after he gave me b. card)

They knew in so many ways.
